

Peterborough Diocesan Guild of Church Bellringers

Guild Summer Festival Meeting
13th September 2025 in Castor

1. President's Statement to the Meeting

- Before we get into the meeting proper I wish to make the following statement on behalf of the Guild Executive:
- I apologise to members that at the AGM in June a most regrettable breakdown in communication within the Guild Executive led, in turn, to a failure in proper procedure.
The Executive has resolved not to let that happen again.
